## Nick Robinson

Member of the BOS (British Origami Society), with origami for more than 30 years. Published more than 60 books as of now. Teaches regularly in schools and art centers. He's the author of hundreds of models.

## Terrace Party

On the 11th of August starting from 6 o'clock PM we invite our guests to the roof terrace of the school center. During the evening we are going to fold paper alongside grill dishes and tasting the beers of Pécs.

## Fakultative program

On the 12th of August at 9 o'clock AM by rent bus we are going to visit the [cathedral of Pécs](#).

We make a visit with a guide at the temple, the bishop's palace and the treasury, pass through the secret tunnel to the granary, where we are going to taste wines of the episcopate.

We are returning to the location of the convention for dinner, where the program starts with independently chosen origami folding.
