

Dear origami friend,

We would like to invite you to the first Prague International Origami Convention. The main purpose of the event, which takes place on **September 20**, is a get-together of current origami enthusiasts as well as introducing general public to the enchanting art of paper folding. Additionally, we will welcome with great pleasure our honorable international guest **Ms Rosalia Porkolab**.

Details about the event such as entrance fees, schedules, location, etc. can be found below. Your name will appear on the list of participants at the entry to the event. At this point we will kindly ask you to pay the entrance fee of CZK 150 (or CZK 50 for children) and in return have a small gift package ready for you. You are also welcome to contribute your works to our little origami display, whether you made them at home or on the spot!

To sign for the event, please, simply send your name to the email address info@origami.cz by the noon of September 19. Should you require more information about the event, or need help with accommodation in Prague, we will gladly assist you on info@origami.cz as well.

We would also like to ask you politely to spread the invitation to other origami and artisan friends.

Thank you once again and we are very much looking forward to meeting some of you!
